- Current license for Forklift, Reach, Walkie

Experience & Skills:

- Minimum 2 years quality control experience within food related industry/manufacturing
- Ability to lift up to 50lbs repetitively and stand on feet for majority of the working day
- Knowledge of document control practices
- Strong communication skills (verbal and written)
- Organizational skills, problem solving and ability to prioritize
- Proficient in Word/Excel and Outlook as well as an inventory management software
- Flexibility and willingness to work overtime as required, which will include evenings and weekends

PRINCIPAL RESPONSIBILITIES

1. Review and inspect all quality standards of incoming/outgoing product according to customer specifications.
2. Maintain stringent levels of quality control as per grade of product and lifespan.
3. Work closely with all departments at EarthFresh to ensure that Quality Control levels are being met throughout the organization and communicate product grades.
4. Make changes and adjustments to in-house ERP system, Famous, as required.
5. Photograph incoming/outgoing product to capture inconsistencies.
6. Quality checks for all non-compliances.
7. Other duties as required by the Quality Control Manager.

Please email your resume and cover letter to: careers@earthfreshfoods.com
